ABOUT US

Hardie Fasteners is proudly 100% New Zealand owned and operated and is a leading distributor of fasteners for the manufacturing, construction, engineering, and marine industries.

We have over 20,000 products available, and our distribution centre typically ships orders overnight throughout New Zealand.

Founded in 1997 by Joseph we have a wealth of experience and the tools to help you select the right product for your application. Whether you are a small team or a corporation we can provide a tailored procurement solution to ensure your business operates effectively within your industry.

Quality is key and product from our international suppliers is batch tested to ensure they meet any relevant standards. We understand your time is valuable so if there is an issue, we work quickly to fix the problem and our focus is to ensure you receive the best product in a timely manner.

Ordering with Hardie Fasteners is easy! We have an intuitive website that we can set you up on with a trade account, and our highly trained team can help you find the ordering method best for you. Otherwise, we welcome all calls and emails and look forward to answering any questions you might have.

We look forward to working with you soon.
